

Certificate

Santax Medico A/S

is certified as an

A

PENTAX Medical
CERTIFIED REPAIR CENTER.

This distributor fulfills the high-quality standards of PENTAX Medical.

At PENTAX Medical we are committed to **quality** and the promotion of **patient safety**, throughout the entire lifetime of the product. This commitment extends beyond our own internal requirements to all of our partners.

As service demands grow with the expansion of our business it becomes even more critical that we continue to evolve the service network, by providing support to our valued partners – through the **Certified Repair Center program**.

Certification valid from: 01/12/21 to 30/11/22
