

SEPTEMBER 9-10, 2021

Advanced Endoscopic Masterclass

Zealand University Hospital, Køge, Denmark

Purpose

We offer a two-day advanced endoscopy course based on the daily advanced treatments in a large endoscopic ward at a university hospital.

Overview

The Endoscopic department at Zealand University Hospital, Køge, has an extensive endoscopic production, performing over 12,000 endoscopic procedures a year, including ERCP (incl. rendez-vous and trans gastric ERCP), SPY, EMR, ESD, e-FTR, EUS, LAMS, CELS, all types of stenting with SEMS, pediatric endoscopy, balloon enteroscopy.

Target audience

Members of endoscopic teams with advanced endoscopic experience in the above mentioned areas and procedures (not necessarily all).

Number of participants

In order to ensure interactivity between faculty and attendees, the number of participants is restricted to 8-14.

Program

The course is designed to have a high level of interaction between guests, faculty and staff. All live procedures will be transmitted to a conference room with direct audio connection to the endoscopic room. It will also be possible to be present in the endoscopic room.
